

*Preface*

On the pages that follow, you are about to embark on a journey that will enable you to enjoy a variety of stories, recipes, poems and descriptions, as well as other forms of creative writing produced by our students.

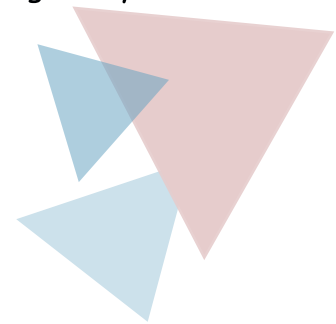

You could begin by reading P.6 students' future career aspirations. If you are feeling hungry, read the recipes compiled by P.3 students to make sure you never go hungry again! Finally, read the rules for going to the park or garden by P.2 students. That way, you'll definitely be on your best behaviour.

The pieces of work that have been included in this newsletter demonstrate the high standard of work across all year groups; when you read them, you will be amazed by their originality and creativity.

We invite you to embark on the journey now; it will be a memorable one!

Enjoy the read!

### My dream school

In my dream school, there are sixty classrooms. The music room is on the first floor. There is a piano. It is on the first floor. The computer room is on the second floor. There is a games room. It is on the tenth floor. The canteen is on the ninth floor. There is a TV room. It is on the third floor. I like the big garden. It is on the ground floor. In the garden, we must keep off the grass. We mustn't climb the trees. We mustn't litter. We mustn't pick the flowers. We are happy at school. I love my dream school.

## My birthday party

Last week was my birthday. I had a party at home. My parents decorated the house with a banner and balloons. For my birthday, Dad bought me a new robot! I was very happy! At the beginning of the party, I made a wish. However when I opened my eyes, I saw my little sister drop my robot on the floor. I was angry. My face turned red. My sister felt afraid and worried. Then I shouted at her so she cried loudly. Dad told me that she didn't do it on purpose and Mum said that my sister was still young and careless. Dad said, 'Although your robot is broken, I can just buy you another one!' Dad was right. I felt sorry for my sister. I shouldn't have shouted at her. I went into the kitchen and took a candy. I gave it to my sister and said sorry to her. 'Can you forgive me?', I asked. She replied, 'Okay, brother.' In the end, everyone was happy and dad bought me a new robot. It was an unforgettable day.

## Advice for good manners

We should behave nicely at home. We should not fight with our brothers and sisters. We should help one another and take care of one another.

We should also behave well in public places. We should not talk loudly in the cinema. We should talk softly and turn off our mobile phones.

5E Huang Yin Hei, Alex

I want to be a lawyer when I grow up because it is challenging and meaningful. If I become a lawyer, I will help people who are in trouble. I will do justice for them.

Lawyers need to be smart, hard-working and calm so that they can face difficulties and think of ways to help people. They need to be outgoing too. They need to be attentive so that they can listen to problems.

I think this job is suitable for me because I think I am hard-working and smart. I am calm when facing problems too. I need to study more about law so I can help people to go to court and win their cases. I am ready to meet the challenges so first I will improve my communication skills. If I can help people who are in trouble, I will become a famous lawyer.

6A Tsoi Hiu Yin, Matthew

I want to be a game designer when I grow up because it is interesting and challenging. If I become a game designer, I will design a lot of games. If I design a lot of games, I will earn a lot of money. If I earn a lot of money, I will help poor people.

A game designer needs to be smart so that they can think of a lot of ideas. They need to be hard-working too. They need to be creative so that they can write a lot of programs.

I think this job is suitable for me because I am creative and good at drawing. I am hard-working too. Although I can draw anything, I need a lot of time to draw. From now on, I need to improve my drawing skills so that I can be a game designer one day.

6B Lau Wai Ki, Kelis

I want to be a computer programmer when I grow up because it is a meaningful and interesting job. If I become a computer programmer, I will design interesting games. I will make more intelligent online games. If I make more intelligent online games, I will become famous. If I become famous, I will earn a lot of money. If I earn a lot of money, I will help poor people.

Computer programmers need to be smart and confident so that they can design interesting games. They need to be creative too. They need to be creative so that they can create and develop many new characters in the games.

I think this job is suitable for me because I am creative and calm. I am confident of myself too. But I need to work harder to improve my flexibility. Starting from today, I will try my best to make my dream come true.

6C Li Chengzhi, Marcus

I want to be a doctor when I grow up because it is meaningful. If I become a doctor, I will cure and take care of sick people. If I cure and take care of sick people, I will be happy when I see them get well and smile again.

Doctors need to be patient and caring so that they can cure sick people. They need to be hard-working too. They need to work and study hard so that they can be good doctors.

I think this job is suitable for me because I am caring and patient. I am hard-working too. I hope I can be a doctor some day.

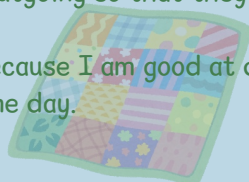

6D Chiu Ka Wai, Kathy

I want to be a fashion designer when I grow up because it is interesting. If I become a fashion designer, I will design a lot of beautiful clothes. If I design a lot of beautiful clothes, I will sell my clothes to other countries.

Fashion designers need to be creative so that they can design a lot of beautiful clothes. They need to be hard-working too. They need to be outgoing so that they can present their products to their customers.

I think this job is suitable for me because I am good at drawing and I am creative. I am outgoing too. I hope I can be a fashion designer some day.
