Preface

On the following pages you will enjoy various forms of creative writing produced by our students.

Then go back to school and learn more about P.1 students' classmates. Or you could read the simple recipes that P.3 students have written - the carrot soup is a good choice for the winter months!

The pieces of work that have been included in this newsletter demonstrate the high standard of work across all year groups; when you read them, you will be inspired by the themes covered and how they relate to your own experiences.
